

Name _____

Virtual Resolutions

Short Answer Key

1. Lily's resolution in the virtual world was to become a skilled gardener, which was important to her because it was a lifelong dream.
2. When Lily neglected her virtual garden for a week, she found it in a state of disrepair, with withered plants and overgrown bushes.
3. Lily felt guilty and shocked when she saw the state of her virtual garden after neglecting it.
4. Lily learned the lesson that resolutions, whether in a virtual or real world, require dedication and responsibility.
5. Lily changed her behavior in real life by applying the same dedication to her real-life goals and responsibilities.
