## Resolutions Gone Rogue

### Short Answer Key

1. Detective Sarah caught the resolution thief by setting up surveillance near the homes of potential targets and staying up all night. She spotted a shadowy figure attempting to steal a resolution scroll and apprehended the thief in the act.
2. Gizmo the gnome agreed to return the stolen scrolls and help the townspeople because he was moved by Detective Sarah's explanation of the importance of keeping resolutions and the potential chaos that would ensue if they weren't fulfilled.
3. The resolution scrolls were important to the citizens of Willowville because they represented their personal commitments and goals for the year. Fulfilling these resolutions was a tradition that held meaning and importance in their lives.
4. According to Ms. Isabella, the potential consequence of leaving the resolutions unfulfilled was that they would wreak havoc in Willowville. The scrolls were enchanted, and their unfulfilled promises could have negative effects on the town.
5. After their resolutions were safely returned, the citizens of Willowville were determined to stick to their goals and commitments, showing their dedication to keeping their promises.
