

Name _____

The Quantum Quest: Journey to the Starlight Nexus

Open-Ended Response Questions

1. Discuss the theme of the power and responsibility that come with knowledge and the ability to manipulate the quantum realm in the story.
2. How did the Quantum Custodian challenge the trio's understanding of the quantum realm, and what did they learn from these challenges?
3. If you had the opportunity to journey through a quantum realm like Jake, Maya, and Liam, what questions about the universe would you hope to answer, and why?
4. Reflect on the significance of the friends' decision to keep the Quantum Nexus Controller safe after their adventures. How does this reflect their growth and responsibility?
