

Name _____

Ninja Kittens vs. Pirate Hamsters

Open Ended Questions Answers

1. Answers may vary, but the Ninja Kittens and Pirate Hamsters believed the treasure belonged to their respective groups because they saw it as a valuable prize and wanted to enjoy it exclusively.
2. Polly Beak changed the course of the battle by intervening as a wise mediator, suggesting that the treasure should be shared rather than fought over.
3. Answers may vary, but some might say that the Ninja Kittens and Pirate Hamsters learned the importance of cooperation, resolving conflicts peacefully, and the value of friendship over material possessions.
4. Answers may vary, but some might argue that the treasure symbolized more than just physical items; it represented the potential for unity and friendship among different groups.
