## Exploring the Diverse Continent of North America

### Short Answer Key

1. One natural wonder in North America is the Grand Canyon, known for its immense size and breathtaking beauty. It is famous for its stunning rock formations and the Colorado River that flows through it.
2. One Native American tribe is the Navajo Nation. They are known for their intricate weaving and distinctive art, including sand paintings and jewelry.
3. The American Revolution was a war fought between Great Britain and the American colonies from 1775 to 1783. It resulted in the United States gaining independence from British rule, leading to the formation of the United States as a sovereign nation.
4. Mexico is known for its tradition of Dia de los Muertos (Day of the Dead), a celebration that honors deceased loved ones through colorful altars, sugar skulls, and marigold flowers. This tradition reflects the blending of indigenous and Spanish influences.
5. The United States-Mexico-Canada Agreement (USMCA) promotes trade and cooperation among the three North American countries by eliminating trade barriers, enhancing intellectual property protections, and addressing labor and environmental issues.
