

Name _____

North vs. South

Short Answer Key

1. Many Northerners believed slavery was unfair and against American values of freedom.
2. It allowed states to vote on slavery, which led to violence in "Bleeding Kansas."
3. They wrote books, gave speeches, and helped enslaved people escape.
4. Lincoln's election made the South fear that slavery would end, leading to secession.
5. The Missouri Compromise tried to balance free and slave states.
