

Name _____

North vs. South

Open-Ended Response Answer Key

1. Slavery was a moral issue for many Northerners and an economic issue for the South, making it difficult to find a solution.
2. I would have tried to make new laws that protected the rights of all people while keeping the country united.
3. They probably felt frustrated and scared, since their lives were being debated without their voices being heard.
4. The Civil War teaches us about the importance of fairness, justice, and listening to different perspectives.
