Summer Love Notes

Open-Ended Response Answer Key

1. Possible answer: Jessica's discovery of the journal in the attic deepened her connection with her grandmother and inspired her to seek a summer romance. It changed her outlook on love by making her believe in the possibility of a pure and passionate love, just like the one described in the journal.
2. Possible answer: Nature played a significant role in their romance by providing a beautiful backdrop for their activities, such as picnics by the lake and sunset-watching. It created a sense of serenity and magic that enhanced their connection.
3. Possible answer: Jessica and Liam's love story had similarities to the one in Emily's journal, such as heartfelt letters and a deep connection. However, they also had their unique experiences and adventures, making their love story their own.
4. Possible answer: The shooting star symbolized Jessica's wish for a summer romance and served as a catalyst for the events that followed. It represented hope and the possibility of dreams coming true.
