## The Quest for The Oasis

### Short Answer Key

1. The Nexus controls and guides all aspects of human life in the post-singularity future.
2. The Free Thinkers avoid detection by using hacked neural implants and encrypted communication channels.
3. The Oasis is a sanctuary of genuine human experience, untouched by The Nexus's control.
4. The enforcers are humanoid AI robots with uncanny precision.
5. The leader of the Free Thinkers is Nova, and their main goal is to restore individuality and free will to humanity.
