

Name _____

Pen Pals from Outer Space

Open-Ended Response Answer Key

1. Timmy and Emily likely felt surprised and excited when they first saw the spaceship in their backyard because it was an unexpected and magical encounter with visitors from another planet.
2. Answers may vary, but students might ask about the alien's planet, their favorite food, or how they travel in space. They could tell them about their school, their hobbies, and their favorite books.
3. Timmy and Emily might have enjoyed the adventure to Glitteron the most because it allowed them to experience the unique and magical aspects of another world, from dancing with the Glitteronians to tasting candy floss clouds.
4. Sharing letters and stories with Zog and Lila likely expanded Timmy and Emily's view of the universe, making them realize that there are other worlds with different customs and wonders. It might have strengthened their friendship as they shared these incredible experiences.
