

Name _____

Overworked Colors

Short Answer Key

1. Some crayons, like Red and Blue, were used too much and felt tired, while others, like Beige and Pink, felt ignored and unimportant.
2. Duncan solved the argument by using both Yellow and Orange together to create a sun.
3. Black Crayon wished it could be used for more than just outlines and be part of the main picture.
4. Pink Crayon felt left out because it was only used for princess dresses and never for anything fun or exciting.
5. Duncan used every crayon in a unique way, like making a pink dinosaur and a black beach, so no crayon felt left out.
