

Name _____

The Puppet Pandemonium

Open-Ended Response Questions

1. Discuss the transformation of Pippin from a troublemaker to a star performer in the puppet talent show. What lessons can we learn from this transformation?
2. Reflect on the importance of creativity and cooperation in resolving challenging situations, as demonstrated by the students in organizing the puppet talent show. How did their creativity help calm the chaos, and what role did cooperation play in the success of their plan?
3. If you were one of the students in Crestwood Middle, how would you have reacted when the puppets came to life? What creative solution would you have proposed to restore order in the school?
4. Imagine you are writing a letter to Emma, Max, and Lily, congratulating them on their successful puppet talent show. What would you say in your letter, and how would you express your appreciation for their efforts in bringing back order to the school?
