## The Tale of Pandora's Box

### Short Answer Key

1. Possible answer: When Pandora opened the box, troubles, worries, and sorrows escaped, filling the world with chaos and despair.
2. Possible answer: The gods explained this to Pandora because hope is what gives people the strength to face challenges and overcome difficulties.
3. Possible answer: Pandora learned the lesson that curiosity can have consequences, but she also learned the importance of hope. This lesson changed her life as she dedicated herself to spreading hope and helping others.
4. Possible answer: Pandora felt a deep sense of regret and sadness when she saw the troubles escape from the box and fill the world with chaos and despair.
5. Possible answer: Hope was the only thing left inside the box because it is the one thing that can help people endure and overcome the troubles and sorrows that life brings.
