

Name _____

Parliamentary Government: A System of Democracy

Open-Ended Response Answer Key

1. Answers may vary, but responses should include reasoning for whether accountability is a positive or negative aspect of parliamentary government and why.
2. Real-life examples could include countries like the United Kingdom or Canada. Challenges may include instability, while benefits could include efficient decision-making.
3. A parliamentary system might address limited executive power by granting the executive more authority or clarifying their role in decision-making.
4. Answers will vary, but responses should include a plan for participating in the democratic process (e.g., voting, engaging with representatives) and identifying important issues for the citizen.
