

Name _____

The Party's Challenge

Open-Ended Response Answer Key

1. Emily Mitchell's progressive ideas gained support among the party's younger members because they saw her as a fresh voice with innovative solutions to address contemporary issues. They believed that her proposals would resonate with a broader range of voters and help the party adapt to the changing political landscape.
2. Political parties face challenges in adapting to changing times and attracting a new generation of voters because they often have entrenched traditions and ideologies. Overcoming resistance to change and appealing to a diverse and evolving electorate can be difficult.
3. Internal power struggles within a political party can lead to division and dysfunction, making it challenging for the party to effectively address the needs and concerns of its constituents. This can result in a lack of cohesive policy-making and voter disillusionment.
4. Whether Emily Mitchell's victory marked a positive turning point for the Harmony Party is subjective and may depend on individual perspectives. Some may view it as a necessary step towards modernization and inclusivity, while others may see it as a departure from the party's core values.
