

Name _____

The Pawsome Swap

Short Answer Key

1. Tom's behavior changed as he adapted to life as a dog. He found himself barking, wagging his tail, and experiencing the world from a canine perspective.
2. Some challenges and humorous situations included trying to communicate through barks, playing fetch with Jerry, and attending dog training classes. Tom had to learn the joys of belly rubs and chasing squirrels.
3. Buddy enjoyed lounging on the couch, watching TV, and eating pizza. He also took Tom's place at work but struggled with everyday human tasks, leading to chaos and hilarity.
4. Tom made comical attempts to switch back, involving doggy treats, dog training classes, and a visit to a wacky magician who specialized in reversing magical mishaps.
5. Tom learned to appreciate the simple joys of life from his experience as a dog. It changed his perspective by showing him that even in the most bizarre situations, there is humor and valuable lessons to be found.
