

Name _____

The Extraordinary Day of Pet Conversations

Open-Ended Response Questions

1. How do you think Alex's ability to understand pets made them feel about animals? What impact did it have on their relationships with animals?
2. If you could understand what your pet was saying, what would you ask or talk to them about?
3. Why do you think Luna, the shy kitten, felt comfortable sharing her feelings with Alex at the shelter?
4. How might Alex's bond with Buddy and Whiskers be different from the bonds between typical pet owners and their animals?
