## The Cosmic Pet Shop

### Short Answer Key

1. The Cosmic Pet Shop became popular because it offered unique alien pets that couldn't be found anywhere else. Word of their extraordinary extraterrestrial creatures spread throughout Crestwood, attracting customers from all over.
2. Two different types of alien pets at the Cosmic Pet Shop included "Flufforbs," which were fluffy, floating balls of fur, and "Glimmerians," which were sleek, lizard-like creatures that could change color to match their mood.
3. Dr. Vega hoped to study the glowing rock's interstellar origins to unlock the secrets of space travel.
4. The trio dreamed of exploring the universe and making new cosmic discoveries. They were armed with a holographic star map and the knowledge gained from their alien friends, and they knew that their curiosity would lead them to exciting adventures.
