## The Tale of the Pirate Teacher

### Short Answer Questions Answers

1. Captain Cutlass was an unusual teacher because he taught math and science with a pirate's flair.
2. Captain Cutlass taught his students math and science using treasure maps and spyglasses.
3. The students used pieces of cardboard, duct tape, and empty plastic bottles to build their mini pirate ships.
4. The students learned the important life lesson of perseverance and the idea that even if they faced challenges (like capsizing), they could right themselves and sail again.
5. On the last day of school, Captain Cutlass gave his students a piece of eight and a pirate hat.
