## Virtual Adventures: A Sonnet of Pixels and Hearts

### Open-Ended Response Questions

1. Give an example from the poem that illustrates the idea that words in the virtual world can hurt or heal the heart.
2. How do you think people can balance their time between the virtual world and real-life connections, based on the poem's message?
3. Can you think of a personal experience or situation where you had to navigate challenges in the virtual world, similar to what the poem describes? Explain.
4. In your own words, summarize the main message or lesson the poem conveys about the impact of the virtual world on relationships.
