

Name _____

The Time-Traveling Botanist: A Journey Through the Plant Kingdom

Open-Ended Response Answer Key

1. Lily's curiosity and passion for botany likely motivated her to explore her grandmother's greenhouse, as she was drawn to the world of plants and wanted to learn more about them.
2. Lily's journey allowed her to witness the co-evolution of plants and pollinators, which likely emphasized the interconnectedness of plants and the natural world. She likely saw how different species rely on each other for survival.
3. Answers may vary. Students can choose any aspect of the natural world they find interesting and provide reasons for their choice based on personal interest or curiosity.
