## The President's Power: Veto, Override, and the Pocket Veto

### Open-Ended Response Questions

1. Discuss a real-life example of a bill that was vetoed by a President and later overridden by Congress. Explain the significance of this legislative process.
2. Reflect on the potential advantages and disadvantages of the pocket veto as a presidential power. How can it impact the legislative process and the effectiveness of the government?
3. Explore the concept of checks and balances in the U.S. government, considering how the President's veto power is balanced by Congress's ability to override a veto.
4. Imagine a scenario in which a President receives a bill that they neither sign nor veto, and Congress does not adjourn. Discuss the implications of this scenario and its impact on the legislative process.
