Name _____

Sarah Koenig: The Voice Behind "Serial"

Open-Ended Response Answer Key

1. People enjoyed listening to Serial because it felt like a mystery story, and they wanted to know what happened next.
2. I would ask her how she chooses which stories to tell because I am curious about what makes a story important.
3. Hard work and curiosity can help you discover the truth and share important stories with others.
4. Yes, because podcasts let people listen and learn anywhere, or No, because some people prefer reading or watching videos.
