Name _____

Marc Maron: A Podcasting Pioneer

Open-Ended Response Answer Key

1. People enjoy real conversations because they feel more connected to the stories and emotions being shared.
2. I would ask him how he stayed motivated during difficult times because I want to learn how to keep going even when things are hard.
3. He was creative, hardworking, and didn't give up even when he faced struggles.
4. Yes, because podcasts allow people to learn and hear interesting stories anywhere, or No, because some people prefer watching videos or reading books.
