Name _____

Jad Abumrad: A Pioneer in Podcasting

Open-Ended Response Answer Key

1. Sound effects and music make storytelling more exciting because they help create emotions and make the listener feel part of the story.
2. I would ask him how he comes up with ideas for Radiolab because I want to learn how to think creatively.
3. He was curious, creative, and willing to try new things even when people doubted his ideas.
4. Yes, because podcasts let people learn in a fun and easy way, or No, because some people prefer reading books or watching videos.
