Name _____

Tim Ferriss: The Life Hacker and Podcast Star

Open-Ended Response Answer Key

1. Learning from successful people is helpful because they share tips and mistakes that others can learn from.
2. I would ask him what his favorite life lesson is because I want to know what has helped him the most.
3. He was curious, hardworking, and willing to learn new things.
4. Yes, because podcasts let people learn from experts in an easy way, or No, because some people prefer reading books or watching videos.
