Name _____

Bill Simmons: The Voice of Sports Podcasting

Open-Ended Response Answer Key

1. His writing was fun, casual, and different from traditional sports writing, which made it more interesting for fans.
2. I would ask him how he stayed motivated when starting The Ringer because I want to know how to start something new.
3. Hard work and passion can help you achieve your dreams, even if you face challenges.
4. Yes, because they let people hear expert opinions and fun discussions, or No, because some people prefer reading or watching sports instead.
