Name _____

Brené Brown: The Power of Courage and Vulnerability

Open-Ended Response Answer Key

1. Understanding emotions is important because it helps people communicate, build relationships, and become stronger.
2. I would ask her how she became confident in sharing her struggles because I want to learn how to be more open.
3. She was curious, hardworking, and brave in talking about difficult topics.
4. Yes, because podcasts allow people to learn in an easy and personal way, or No, because some people prefer reading books or watching videos.
