

Name _____

Pokémon: Catching 'Em All Through the Ages

Open-Ended Response Questions

1. As a Pokémon Trainer, describe your ideal journey through the Pokémon world, including the types of Pokémon you'd capture, the regions you'd explore, and the ultimate goal of your adventure.
2. Discuss the lasting appeal of Pokémon and its ability to resonate with players of all ages over the years. What elements of the franchise contribute to its enduring popularity?
3. Envision a scenario where you are a game developer tasked with creating a new Pokémon game. What innovative features or concepts would you introduce to the game to engage both longtime fans and new players?
4. Share a personal memory or story related to your experiences with Pokémon, whether it's a memorable capture, a challenging battle, or a moment from the animated series that left an impact on you. Explain why this memory is significant in your Pokémon journey.
