## Pokémon: Catching 'Em All Through the Ages

### Open-Ended Response Answer Key

1. Responses will vary but should include details about the player's preferred team of Pokémon, regions they'd explore, and their ultimate goal, whether it's becoming a Champion, completing the Pokédex, or unraveling a unique storyline.
2. Pokémon's lasting appeal stems from its sense of adventure, strategy, and the bonds players form with their Pokémon. The franchise's diverse creatures, evolving gameplay, and adaptability have contributed to its enduring popularity.
3. As a game developer, innovative features could include a dynamic open-world Pokémon experience, interactive battles, and a deep storyline with player choices. These features would engage both veteran and new players.
4. Share a personal memory related to Pokémon, such as a memorable capture, a challenging Gym Battle, or an episode from the animated series that left an impact. Explain why this memory is special in your Pokémon journey and how it reflects your connection to the franchise.
