## NGOs as Changemakers: Advocating for Policy Changes

### Short Answer

1. Describe how NGOs use research and data collection in their advocacy efforts.
2. Explain the importance of alliances and collaboration for NGOs in advocacy campaigns.
3. How can grassroots mobilization influence policymakers' decisions?
4. Provide an example of an issue where NGOs have engaged in legal action to bring about policy changes.
5. How do NGOs use public pressure and petitions to advocate for policy changes?
