## The Magical World of Bubbling Potions

### Open-Ended Response Questions

1. If you could create a magical potion like Lily, what would it do, and what ingredients would you use?
2. Imagine you had the ability to talk to animals. Describe a conversation you would have with your favorite animal, and what you would ask them.
3. How do you think Lily's adventures with the animals of the forest changed her perspective on the natural world around her?
4. If you could explore a magical forest like Lily, what creatures would you want to meet and what would you hope to learn from them?
