## Power Struggle

### Open-Ended Response Answer Key

1. Some people prefer state power because different states have different needs and might govern better locally.
2. Answers will vary. Example: "No, because some issues, like civil rights, should be the same for all Americans."
3. Answers will vary. Example: "I would be an Anti-Federalist because I believe people should have more local control over laws."
4. The debate has led to major events like the Civil War and continues to influence political arguments today.
