## Powerful Policies

### Open-Ended Response Answer Key

1. (Opinion-based) A student might say, "I would create a policy to make school lunches free for all students."
2. (Opinion-based) The Civil Rights Act still protects people from discrimination in jobs, schools, and public places.
3. (Opinion-based) Some students may say, "Yes, because the president should not have too much power." Others may say, "No, because sometimes fast action is needed."
4. (Opinion-based) A student might say, "Medicare is the most important because it helps people afford healthcare."
