

Name _____

Power of Community

Open-Ended Response Answer Key

1. Scrooge may avoid community because he focuses on money and doesn't want to be vulnerable or form attachments that could distract him from his work.
2. Dickens uses the Cratchit family to show that love, gratitude, and togetherness can create happiness, even in difficult times.
3. Scrooge's transformation shows that connecting with others can inspire positive change, making even the most selfish person realize the value of kindness and generosity.
4. In modern life, the lessons about community encourage people to prioritize relationships, support those in need, and recognize that meaningful connections are more important than material wealth.
