## Presidential Powers

### Open-Ended Response Answer Key

1. (Opinion-based) A student might say, "Yes, because quick action is needed in emergencies" or "No, because too much power can be dangerous."
2. (Opinion-based) A student might say, "I would make an executive order to help protect the environment."
3. The president and Congress must share power to make sure no one person controls everything.
4. (Opinion-based) A student might say, "I think presidents will use more technology to make decisions faster."
