

Name _____

The Enchanted Princess

Open-Ended Response Answer Key

1. The magical pond served as a catalyst for change in the story, granting Isabella's wish and presenting her with a moral dilemma. It symbolized the idea that wishes and desires can have consequences, and it allowed Isabella to showcase her selflessness. Isabella's decision to choose her voice over beauty was a pivotal moment in the story, demonstrating the transformative power of inner qualities.
2. Isabella's decision to keep her voice instead of her beauty reflects her character as someone who values inner qualities over superficial appearances. The choice highlights the importance of selflessness and the idea that true beauty comes from within. The lesson learned is that kindness and wisdom hold greater value than physical beauty.
3. "The Enchanted Princess" challenges traditional notions of beauty by emphasizing the significance of inner qualities. It suggests that inner beauty, such as kindness and wisdom, is more enduring and meaningful than physical appearance. The story encourages readers to reevaluate their perceptions of beauty and recognize the value of inner qualities.
4. Princess Isabella's decision to prioritize her inner beauty and kindness over her physical beauty deepened her bond with the people of the kingdom. They admired her even more for her selfless choice, which served as an example of moral integrity and made her a beloved ruler. Her actions inspired loyalty and love among her subjects.
