

Name _____

Prison Break

Short Answer Key

1. John prepared by studying the prison layout, observing guard routines, and crafting tools. It was important to him because he needed to escape to clear his name and uncover a larger conspiracy.
2. John formed alliances with inmates who had unique skills. These alliances were significant as they helped him execute the escape plan, with each ally contributing their expertise.
3. They faced challenges like evading guards, security cameras, and alarms. They overcame them through careful planning, teamwork, and quick thinking.
4. John wanted to clear his name and believed a larger conspiracy involving high-ranking officials was responsible for his false imprisonment.
5. The main theme is about resilience, determination, and the power of teamwork in the face of adversity.
