## The Prodigy's Dilemma

### Open-Ended Response Questions

1. How did Emily's prodigious talents impact her childhood, and when did she decide to talk to her parents about her feelings?
2. Describe the initial reaction of Emily's parents when they learned about the pressure their ambitions had put on her. How did their attitude change?
3. How did Emily rediscover the joy of being a child after taking a step back from her rigorous schedule?
4. Why do you think Emily's emotional struggles continued to affect her even after she gained more freedom in pursuing her passions?
