

Name _____

The Misadventures of Professor Bumblebee

Short Answer Questions Answers

1. Professor Bartholomew Bumblebee is known for his wild hair, mismatched socks, and a perpetually absent-minded demeanor. He is brilliant but eccentric, with a fondness for jellybeans.
2. Professor Bumblebee is motivated by the idea of creating unbreakable glass from jellybeans, believing it would be a groundbreaking discovery in the world of science.
3. Professor Bumblebee's obsession with the jellybean experiment leads to neglecting sleep, meals, and hygiene. He becomes isolated from friends and colleagues who express concern for his well-being.
4. Professor Bumblebee's laboratory is covered in jellybean fragments and gooey mess after his experiments. He sighs in defeat and spends days cleaning up the laboratory.
5. Professor Bumblebee's misadventures contribute to the story's humor and wonder by highlighting the creativity and unconventional thinking in the world of science. His eccentricities add a sense of whimsy and unpredictability to the narrative.
