## The Puppy Dance Battle

### Open Ended Questions Answers

1. Answers may vary, but students should discuss how events like the "Puppy Dance Battle" can strengthen the bond between dogs and their owners through shared activities and the joy of participating together. They can reference specific examples from the story.
2. Students should share personal experiences of memorable events or competitions they've attended or participated in and explain what made those events memorable. They should then compare these experiences to the "Puppy Dance Battle" in terms of entertainment and significance.
3. Students should discuss the qualities and skills required to be a successful dance duo with a pet, such as patience, training, creativity, and the ability to adapt to their pet's behavior and abilities. They should use Max and Lucy's performance as inspiration.
4. Students should choose a dance style that suits their pet's personality and explain why they selected that style. They should also describe the elements or moves they would incorporate into the routine, considering their pet's strengths and abilities.
