## The Enchanted Puzzle Quest

### Short Answer Key

1. Answers may vary but could include Sarah's puzzle-solving skills, Ben's historical knowledge, Emily's artistic eye, and Max's tech expertise.
2. Answers may vary but could include examples of how they collaborated, shared information, and supported each other in solving puzzles.
3. Answers may vary, but students might suggest that "the secrets of the past" referred to the town's history and the knowledge they gained during the adventure.
4. Answers may vary but should reflect a sense of accomplishment and happiness about their friendship.
5. Answers may vary, but students should mention the importance of working together, using each other's strengths, and valuing friendship.
