

Name _____

The Curious Case of the Puzzling Murder

Open-Ended Response Answer Key

1. Sarah became obsessed with uncovering the truth about the mysterious murder because of her innate curiosity and her determination to bring justice to the victim. She was driven by a sense of justice and a desire to solve the longstanding mystery.
2. The unsolved murder cast a shadow over the town of Willowbrook, and its residents had mixed feelings about Sarah's investigation. Some were supportive of her quest for the truth, while others were wary of the secrets that might be exposed.
3. Sarah's determination to uncover the truth led to threats and warnings from unknown adversaries who wanted the case to remain unsolved because her investigation threatened to reveal uncomfortable truths or implicate individuals who wished to keep their involvement hidden. She handled these challenges with courage and perseverance.
4. The consequences Sarah faced after uncovering the long-buried secrets of Willowbrook likely included a mixed reaction from the townspeople, who may have been shocked or divided by the revelations. Her actions could have both positive and negative impacts on the town and its residents, depending on the nature of the truth she uncovered.
