## The Quantum Mirage

### Short Answer Key

1. They discovered that the Quantum Mirage allowed them to manipulate and alter perceptions by using quantum devices and neural interfaces to create convincing illusions.
2. It made people question the nature of existence as their senses and perceptions could no longer be trusted.
3. The world became fragmented, and people's memories, identities, and beliefs were in turmoil.
4. They discovered that its true power lay in revealing the inner truths of each individual, rather than in manipulation.
