

Name _____

The Quantum Quest of Q

Short Answer Key

1. Q formed a team of alternate versions of himself, and they called themselves the "Qs."
2. Q realized that meddling with the fabric of reality had consequences and that they needed to restore equilibrium in the multiverse.
3. The main theme or lesson Q learned was the importance of understanding the interplay between dimensions and preserving the balance of existence.
4. Answers will vary, but students can describe a creature or challenge encountered in the story.
5. Q believed the balance was delicate because their adventures unintentionally affected other dimensions. To restore it, he and his team had to find a way to rectify these unintended consequences.
