

Name _____

The Enchanted Quilt

Short Answer Key

1. When Lily laid out the family quilt on her bed, it began to shimmer and glow with a soft, ethereal light.
2. When Lily wrapped herself in the quilt, she found herself transported to different times and places, experiencing incredible adventures through history.
3. Lily realized that each time she used the quilt, she grew older while her friends and family remained the same age.
4. In the end, Lily chose to hang up the quilt and preserve the time she had left with her family because she valued the moments she could share with her loved ones over the adventures the quilt provided.
5. Lily became a master quilter and created her own magical quilts to pass down to future generations, ensuring that the enchanting stories of her family's past would continue to inspire wonder and curiosity.
