

Name _____

The Magical Rainbow Unicorn

Open-Ended Response Answer Key

1. Rosie probably lives in a magical forest because it's a place where magical creatures like her can be themselves and do amazing things.
2. If I could make rainbows like Rosie, I would create them in my backyard so that everyone in my neighborhood could see them and be happy.
3. Rosie might have the ability to make flowers bloom instantly when she touches them with her horn.
4. Rosie probably feels happy and proud when she makes rainbows because they are beautiful and bring joy to others.
