## The Mind-Reading Marvel

### Short Answer Key

1. Alex used his mind-reading ability to suggest a topic for their science presentation, making it a success without Carlos realizing Alex's assistance.
2. Mia was worried about her distant brother. Alex offered to help, and they devised a plan to talk to her brother, using Alex's insights to mend their relationship.
3. Alex faced challenges concentrating during tests and exams due to the constant stream of thoughts. He also felt burdened by knowing everyone's secrets and problems.
4. Alex realized he was neglecting his family and friends when he overheard his parents' concerns about his behavior. He decided to prioritize spending quality time with loved ones.
5. Through his experiences with mind-reading, Alex learned the importance of empathy, responsibility, and maintaining meaningful connections with others.
