## The Reality Benders

### Open-Ended Response Answer Key

1. The discovery of the book challenged Sarah and Jake's perception of the world by introducing them to the concept of reality bending, something they initially thought was impossible. It also challenged their self-identity as ordinary teenagers, as they gained extraordinary powers.
2. Moral choices and responsibility played a significant role in Sarah and Jake's journey as reality benders. They had to decide how to use their powers and faced dilemmas about the consequences of their actions on others.
3. Sarah and Jake's understanding of power evolved as they realized the potential consequences of reality bending. They began to see the importance of using their abilities for the greater good and the dangers of unchecked power.
4. The story conveys the message that power comes with responsibility, and it's essential to use it wisely and for the benefit of others. It also highlights the potential consequences of actions and choices, especially when dealing with extraordinary abilities.
