## Rebels & Resistance

### Short Answer Key

1. The Stamp Act taxed paper goods, which upset colonists because they believed they should not be taxed without representation in Parliament.
2. Boycotts hurt Britain's economy, forcing them to reconsider unfair taxes.
3. The Boston Tea Party was when the Sons of Liberty dumped British tea into the harbor to protest the Tea Act.
4. Samuel Adams was a leader of the Sons of Liberty who helped organize protests and spread revolutionary ideas.
5. The Committees of Correspondence helped the colonies stay united by sharing news and ideas about resisting British rule.
